

**WHO LAUGHS LAST?
WARD McDOWELL JUMPS**

Atlanta Second-Sacker, Who Wouldn't Go to Vols or Lookouts, Has Quit.

Atlanta, June 1.—Second Baseman Ward McDowell, whose work around the keystone this season has been brilliant, has left the Cracker club. McDowell did not accompany the team to Little Rock, as announced in the late edition of the Georgian Thursday. He remained in Birmingham, where the Crackers finished a series Wednesday.

Manager Frank stated yesterday in Little Rock that he could not understand why McDowell jumped the club. He told the Cracker chieftain after Wednesday's game that he did not want to play any more.

It is a known fact that Ward was disgusted with the showing of the locals, and this has been evident all season, although he continued to work hard and did not crumble.

McDowell has been playing as well as any man on the team, if not better. He has come through with a number of timely wallops, and has been covering second in great style. His loss will be a big blow to the Crackers, despite the fact that young Galloway splendidly filled his Thursday.

Only thirteen Crackers invaded Little Rock.

**WESTERN CLUBS NOW
INVADE THE EAST**

Giants, Somewhat Worse for Wear, Will Have Another Chance.

New York, June 1.—The first drive of western National League clubs in the east was scheduled to commence today, while the eight pennant aspirants in the American league shifted their operations to the sunset half of their circuit.

The Giants, somewhat the worse for wear after a tumultuous western trip, returned to the Polo grounds still holding first place by the narrow margin of a game and a half. McGraw's team, though badly battered in percentage, is not battered in spirit. The Giants hope to make a new stand on the home grounds, for they have not been defeated at home since the season opened.

The scrappy pitching Pirates, who started the Giants on the disastrous slide, were scheduled to oppose them here today, while the St. Louis Cardinals and Brooklyn Dodgers, with half a game between them, were battling to climb from the two tail-end positions.

Largest Army Appropriation Bill on Record Passed by House.

Washington, June 1.—Passed by the House in record time, the annual army appropriation bill carries \$12,044,832,000, the largest amount ever included in such a bill, and authorizing the president to call into military service and train men as can be equipped and trained, was sent to the senate today.

Speedy enactment of the measure by the senate is predicted. It will probably be taken up early next week.

**RING HARD HIT AND
LOOKOUTS BARELY SCORE**

Hubbard Perdue, the boy from the farm fields of old Sumner, stepped out on the hurling hill at Andrews field Friday, and when he quit twitting and twirling for the Pelicans the score stood 6 to 1 in favor of New Orleans. While the local boys were swinging at Hub's offerings, Red Blum, Hemmingway, Gilbert and Compton were "busting" pailings off the field fences. Blum's aim was bad one time and a hit ball he intended for a pailling went over the fence for a homer.

Hub Perdue won his own game in the second inning, when he reached over his head and hit a ball that went for a single and Compton, who was on together with Kitchens, scored. The Pelicans scored two more in the sixth on Blum's home run, Compton's double to right, Schepner's out and a boot by St. Charles. In the seventh inning the visitors made it six on Gilbert's slashing drive for three bases, a pass to Blum and a double steal.

The locals saved a shutout in the seventh on hits by Phelan, Higgins and Leach. The same teams play this afternoon, the game being called at 6 o'clock. Merritt will hurl for the locals and "Pop Boy" Smith for the visitors. The casualty list follows:

**CORNELL DOPED TO WIN
COLLEGE FIELD MEET**

Philadelphia, June 1.—Based on the showing made in the preliminaries yesterday, Cornell should have very little difficulty today in winning the track and field championship of the Inter-collegiate Association of Amateur Athletes of America. Cornell qualified sixteen men, Dartmouth, with twelve men in the finals, appeared to have an advantage in the field events, but Cornell placed three men in the broad jump, which should help her chances. Princeton qualified eleven men and was considered the next strongest competitor for first honors. Prospects early were for fair weather and a fast track.

DANGERS OF COSTIVENESS
Auto-intoxication, headache, lassitude, irritability, "blues," salivaceous, blotches, are among the results of constipation. If long neglected it may cause piles, ulceration of bowels, appendicitis, nervous prostration, paralysis. Don't delay treatment. Best remedy is Foley Cathartic Tablets, as many thousands know from experience. They not only do their work surely, easily, gently, but without injury to stomach or intestinal lining. Contains no habit-forming element. Jo Anderson, druggist, Chattanooga, Tenn.—(Adv.)

HOW SHE BANISHES BACKACHE
Mrs. Effie H. Kleppe, Averill, Minn., writes: "I was at a sanitarium three weeks at one time, two weeks another time, for rheumatism and kidney trouble and got no relief. On my return home I began using Foley Kidney Pills and found immediate relief, a half bottle completed the cure." This is further proof that these wonderful pills relieve where other treatments fail. Unequalled for weak, sore, aching kidneys, bladder, back, muscles or joints. Jo Anderson, druggist, Chattanooga, Tenn.—(Adv.)

Scoreboard Reflections

The fast-going Browns refused to be stopped. Urb Shocker boosted them along by letting the Tigers down with three hits.

The Pirates defeated the Cardinals in a marathon race at Pittsburgh. Six pitchers were punished by the batmen of both sides.

Slim Sales managed to win his game by a slim margin, but the Giants could have afforded defeat better than the loss of Nichol, who broke his leg.

Eddie Clotte has finally won a ball game. The little fog ball artist relieved Williams at Cleveland and hits by Murphy and E. Collins gave the Sox a victory.

Rather than face the anti-loafing law, Dick Rudolph returned to the Boston Braves and patched up his differences.

The Yankees have suspended Hughie Little, who refused to become a member of the Athletics.

Doyle and Ruth are still leading the major leagues in batting. Both have a percentage of .426.

Faber and Benz, of the White Sox; Rogers, of the Browns; Toney and Conley, of the Reds, and Hamilton, late of the Pirates, are the only big league pitchers who have not tasted defeat this season.

**MARCH BELIEVES HUNS
REACH THEIR OBJECTIVE**

(International News Service.)
Washington, June 1.—Members of the senate military committee, at their weekly conference today with the war department officials, were told by Gen. March, acting chief of staff, that opinion here is the Germans have reached their present objective—the Marne—and that they probably will dig in and prepare for a later drive, perhaps on Paris. With the Germans within forty-five miles of Paris, the situation, the senators were told, is serious. Military experts here, they were advised, are a unit in realizing the dangers confronting the allies.

**DESTROYERS PICK UP
VICTIMS OF LINCOLN**

London, June 1.—News of the torpedoing of the American troop transport President Lincoln by a German submarine while in the naval war zone yesterday reached London today. The ship was struck while returning home and sank in thirty minutes. Destroyers reached the scene in time to pick up the survivors. The vessel carried only her crew and a few convalescent soldiers returning to the United States. The latest wireless advice received this afternoon said that the casualties were slight.

SAYS IT ACTED LIKE A CHARM

Coughs, colds, sore throat or bronchial troubles which persist at this time of the year usually are of an obstinate character. That is all the more reason why a truly reliable remedy like Foley's Honey and Tar Compound should be used. Mrs. Margaret Smale, Bishop, Calif., writes: "Foley's Honey and Tar is a grand remedy; more than is claimed for it. I was suffering from a cold last week and used the medicine and it acted like a charm." Contains no opiates. Jo Anderson, druggist, Chattanooga, Tenn.—(Adv.)

**DEADLOCK REACHED
OVER MOBILE FUND**

Increase in Appropriation for Rivers and Harbors Opposed.

(Associated Press.)

Washington, June 1.—Senate and house conferees on the \$21,000,000 rivers and harbors appropriation bill reached a deadlock today over the increased appropriation from \$360,000 to \$500,000 provided by the senate for improving Mobile harbor. The house managers refused to accept the senate increase and decided to report a disagreement to the house, to ask for further instructions and another vote.

In other respects the bill was completed by the conferees, the house managers accepting the senate amendment providing \$2,000,000 for adjustment of private contracts whose cost has increased because of the war.

In lieu of the senate amendment prohibiting manufacturers from dumping waste matter in waterways, protested by paper mill and other industries, the conferees adopted a compromise proposition asking the war department to investigate need for legislation to meet the situation.

The decision means that Camp Greene will be one of the largest aviation centers in the country. It will be employed, it is understood, for the assembling of aviation units for final training before they depart for Europe, the camp being filled from the various flying and other schools throughout the country.

**"FRANCE IS BEATEN."
BOAST IN GERMANY**

(International News Service.)
Amsterdam, June 1.—"The offensive on the western front should practically conclude the war," said a dispatch from a German source today, quoting the newspaper Rheinische Westfälische Zeitung. The paper was further quoted as saying that France is beaten and "that no Briton nor American can help her."

The Hamburger Nachrichten expressed the belief that the offensive cannot continue at its present rate because of the French reserves and because of the lack of railways and highways.

The Vorwaerts (socialist organ of Berlin) thinks that the next big operations will be seen farther north.

The Rheinische Westfälische Zeitung is a junker organ owned by big manufacturing interests.
